Georgia Outreach: Advancing the Lives of those with Special-needs

An agency of Special Olympics Georgia at Georgia Tech

www.goalsoccer.org

Goals.GT@gmail.com
The start of our program...

- Founded in 2010 by a group of second-year Georgia Tech students
- Recognized the important role that team sports played in shaping their lives
  - wanted everyone to have this opportunity, regardless of ability
- Became an official Georgia Tech Student Organization in 2011
- Approached by Special Olympics of Georgia to establish partnership
  - Became an official agency of SOGA in 2011
- After enacting SOGA partnership, founding members began fundraising, training coaches, and recruiting players
- All coaches (Buddies) are Georgia Tech students trained by Special Olympics

Be a fan. Bring out the Champion in Everyone
Because everyone should experience the values of team sports
www.goalsoccer.org - Goals.GT@gmail.com
Our Mission:

- Reach out to children in Atlanta with physical and mental disabilities
- Provide an opportunity for children to experience the values of team sports, as well as fun, outdoor, physical activity and an outlet from daily life
- Create a caring and supportive community of volunteers for participants, families, and Special Olympics
- Accommodate Georgia Tech students with a convenient and fun volunteer opportunity outside of everyday experience

Because everyone should experience the values of team sports

The Coaches

- Currently, GOALS has a 1:1 ratio of coaches and players
- Coaches are called “Buddies”
  - The idea is that each player is assigned a coach who gets to know the child, his or her ability level, understands his or her preferences, and works each week to help improve skills while having fun and developing a friendship
- SOGA Coaches Oath:
  - “In the name of all coaches, we shall follow written and verbal instructions of Special Olympics officials at all times, have our athletes at the appropriate events and activities at the proper time and abide by the rules and policies, in the spirit of sportsmanship.”
- Specifically Trained to work with those of different disabilities
  - People first language- “Our language shapes our attitudes; our attitudes shape our language; they’re intertwined. And our attitudes and language drive our actions!”
- Buddies volunteer weekly to coach and spend time with assigned player

The Players...

- We welcome players with any physical or intellectual disability regardless of athletic ability or age
  - To participate in Special Olympics Summer Games, player must be 8 years of age
- Currently, we have a team of 15 players from Atlanta
  - Varying disabilities
  - Ages 6-13
- Eventually, the goal of the program is to grow and have multiple teams, based upon ability level
  - Teams of relatively same ability level can be better coached and interact well together

What we do...

- Spring and Fall soccer season
- Weekly practices held on Sundays at 2pm on the SAC Turf Fields at Ga Tech
- Train athletes using various drills and scrimmages
- Also play games and ensure practice is a fun weekly activity for players
- Compete in Special Olympics Summer Games each year
- Host an annual Summer Camp (June 24-29)
How to get involved

- Do you know someone that could benefit from our program and would like to be a player on the GOALS team?
  - Visit www.goalsoccer.org for registration information
  - Practices are open... come out this Sunday at 2pm! Also see website for directions

- Would you like to volunteer or be a buddy? Visit our website as well to apply

- Email us at GOALS.GT@gmail.com or call (770) 910 - 0644 to speak to the President of the GOALS team, Ashley Jameson
